

CHAPTER ONE The Dragon Warrior

Master Oogway was at the Jade Palace in China.

'I think that Tai Lung is going to escape from prison,' Oogway said.

Master Shifu was frightened.

'What can we do?' he asked.

'I'm going to find a new Dragon Warrior. The Dragon Warrior can fight Tai Lung.'

Everyone in town ran to the Jade Palace.

'Come and watch!' they shouted. 'We're going to have a new Dragon Warrior!'

'Wow!' said Po. Po loved watching kung fu. 'I'm coming too!' He didn't want to work today.

'Wait, Po!' his dad shouted. 'Take these noodles with you. People always want to buy noodles.'
