

Five balloons high in the sky!

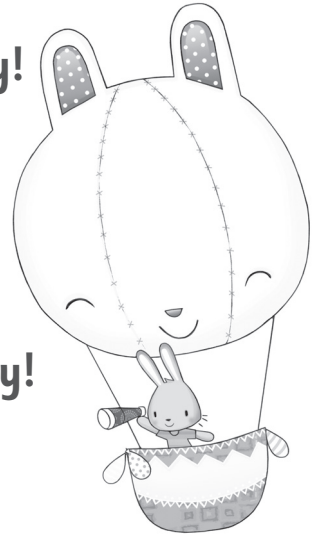

Cat and Mouse in a hot air balloon,
Off for adventure on a sunny afternoon.

One balloon floating by,
One balloon high in the sky!

Cat called Pig on the hills one day,
'Would you like to come out to play?'
Pig jumped up and zoomed up high,
Now there are... two balloons high in the sky!

Pig called Rabbit, skipping in the sun,
'Will you join us for some fun?'
Rabbit was pleased to try and fly,
Now there are... three balloons high in the sky!

Rabbit called Nelly, bathing in the brook,
'Climb in your balloon and take a look!'
Nelly was happy, my-oh-my,
Now there are... four balloons high in the sky!

Nelly called Panda, dozing in the tree,
'We're having fun, come and see!'
Panda climbed in, he wasn't shy,
Now there are five balloons high in the sky!
