

Letter from Santa

Personalise this letter for each child as a festive greeting from Father Christmas

Dear

Merry Christmas from my snowy grotto!

The elves have been very busy in my workshop making and wrapping lots of presents.

The reindeer have been eating lots of carrots and apples, to make them strong for pulling my huge sledge across the skies. Don't forget to leave them a special treat on Christmas Eve!

I hope that you have sent me a letter to let me know what present you would like. Don't forget to snuggle into bed early, ready for a surprise on Christmas Day.

Ho, ho, ho!

Santa
