

# One day...

by Brenda Williams

**I dreamed of you,  
My rocking horse  
And one day you were mine.  
I brushed your mane,  
I held your reins,  
I rode you all the time.**

**I dreamed of you,  
My first football  
And one day you were mine.  
I tossed you up,  
I headed you,  
I kicked you all the time.**

**One day I'll ride  
A real horse  
Just wait and you will see.  
I'll clear high jumps,  
I'll win rosettes,  
One day this will be me.**

**One day I'll be  
A football star  
The captain of the team.  
My feet will score  
The winning goals,  
The World Cup is my dream.**
