

Make it! – 36 squares

- Roll two dice to find your starting numbers and write them into the boxes below.
- Take it in turns to add, subtract, multiply or divide these numbers and colour in your answer on the grid.
- Explain to your partner how you made each number.
- Who can colour in the most numbers?

Starting numbers:

--	--

31	32	33	34	35	36
25	26	27	28	29	30
19	20	21	22	23	24
13	14	15	16	17	18
7	8	9	10	11	12
1	2	3	4	5	6
