

## Odd or even?

■ Work with a partner.

- ☐ Take turns to pick a numeral card.
- ☐ Decide whether your number is odd or even.
- ☐ Write it into the right box.

<b>Odd</b>	<b>Even</b>

■ Now sort the odd numbers.

- ☐ Write them again in order.
- ☐ Do this again for the even numbers.

<b>These odd numbers are in number order</b>	<b>These even numbers are in number order</b>
