

Record breakers

Choose a person to investigate who has broken a record for speed, such as the sprinter, Usain Bolt (see below). Use the following questions to help you with your research.

What is their name?	
When were they born?	
Where were they born?	
What record did they break? What was the previous record?	
In which country/event was the record broken?	
In which year did they break the record? How old were they?	
What speed did they achieve?	
What training did they do?
