

# Superman's sister

Our mum must be  
Superman's sister,  
We're amazed at  
what she does...

Fighting monstrous piles of washing,  
battling the bulky duvets,  
taming the horror that's our Hoover,  
saving us from those terrifying spiders,  
wrestling the dog who never wants to be brushed,  
finding Big Bunny who's always on the run.

And...

Dashing at streak-of-lightning speed  
to save us all from being late for school!
