

Instruments to pluck or blow

- This Carroll diagram shows how the instruments in the photographs make sounds.
- Look at the diagram, then answer the questions.

	Can be plucked	Cannot be plucked
Can be blown	<p>Jew's harp</p> 	<p>trumpet</p> 
Cannot be blown	<p>violin, harp</p> 	<p>tambourine, glockenspiel</p> 

1. How does a violin make its sound?
2. What about the trumpet?
3. How does the Jew's harp work?
