

*Are you trying to reduce your car emissions? Tick the following statements if they are correct for this month.*

# Eco Driving School **L**

1. Our car boot has been emptied of unnecessary items.
2. We have checked the air pressure in our tyres.
3. We have not been revving the engine unnecessarily.
4. We have not been driving too fast.
5. Our car has been serviced in the last 6 months.
6. We have not left the engine running whilst waiting for people to get in the car.
7. We have not used the car for very short journeys.
8. We have not used our car air conditioner.
9. We have been careful not to spill petrol when refuelling.
10. We have done fewer single trips in the car.

If you can tick more than half of these boxes, the car owner in your family may be awarded an Eco Driving School Gold Medal!
