

HOW TO TRAIN YOUR **DRAGON**

CHAPTER ONE **Dragons in the night**

The Vikings come from a small island. They are happy, but they have one big problem. Dragons live not very far away.

At night the dragons come. They fly away with the Vikings' animals.

The Vikings fight the dragons. Hiccup wants to fight too.

One night, Stoick sees Hiccup.
'What are you doing out of the house?'
Stoick asks. He is angry.
'I want to fight dragons,' says Hiccup.
'No!' says Stoick. 'You are not a fighter.
Go home!'

Hiccup does not go home. He looks up and
he sees a dragon.
'It's a Night Fury!' he shouts.

Hiccup shoots and hits the dragon's tail. But Stoick does not see.

'Dad!' shouts Hiccup. 'I can fight dragons!'

Stoick does not answer.

'My dad doesn't listen to me,' Hiccup thinks.
