

# MYTH ATLAS

by Thiago de Moraes

When a giant stole Thor's magic hammer, I had the great idea of dressing him up as a lady so he could steal it back. Colour and cut out the bits below and make your own Thor to play with. Trust me, it's fun playing with Thor.

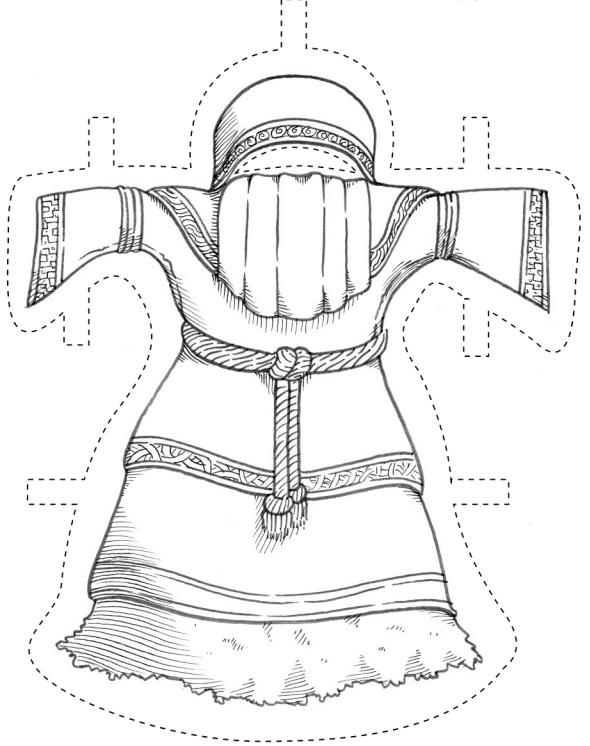

Loki (likes a bit of mischief)

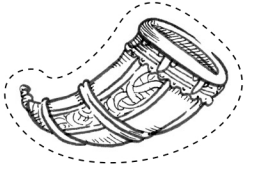

How Thor usually dresses.

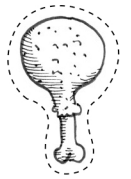

Thor (cut carefully, he looks a bit grumpy)

How Thor had to dress to get his hammer back.

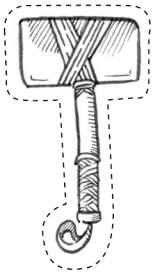

Drinking horn

Roasted goat (perhaps don't put it next to the non-roasted goats)

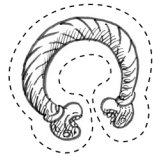

Gnasher

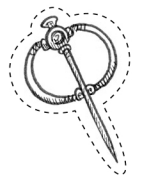

Mjollnir (Thor's hammer)

Grinder

Torc

Brooch
