

Out and about in Paris

- The tourists are asking a *gendarme* (police officer) some important questions during their visit to Paris.
- Match the questions from the tourists with the correct reply from the police officer using a coloured line. (Watch out – the police officer's replies are in the wrong order!)

The tourists are saying the following:

What is the Louvre?
(*Qu'est-ce que le Louvre?*)

How far is it to Notre Dame?
(*Est-ce-que Notre Dame est loin d'ici?*)

How do I get to the Eiffel Tower?
(*Pour aller à la Tour Eiffel?*)

Where is the tomb of Napoleon?
(*Où est la tombe de Napoleon?*)

The police officer's reply is:

C'est dedans Les Invalides.
(It is inside Les Invalides.)

C'est près de la Seine.
(It is near the Seine.)

C'est un musée d'art.
(It is a museum and art gallery.)

C'est seulement un kilomètre.
(It is about a kilometre.)
