Animal biscuits

You will need:

150g oats • 100g caster sugar • 75g butter • 150g self-raising flour • 100ml milk • pinch of salt (optional) • Writing icing • Glacé cherries

• Weigh and measure the ingredients.

• Rub the butter, sugar, oats and flour between your fingers until it looks like breadcrumbs.

• Mix in the milk to make a stiff dough.

• Knead the dough on a floured board.

• Roll out the dough to about 0.5cm thick.

• Use animal-shaped cutters to make biscuits.

• Place the animals biscuits onto a greased baking tin.

• Ask an adult to put them in the oven at 180°C/350°F/Gas Mark 4. Take them out after ten to 15 minutes or when they are a pale golden colour.

When cold, use writing icing to draw in the animals' eyes and stick on red noses made from pieces of glacé cherry.

• Enjoy eating your animal biscuits.
