

In and out the leafy jungle

Sing this rhyme to the tune of 'In and Out the Dusty Bluebells'

In and out the leafy jungle
In and out the leafy jungle
In and out the leafy jungle
Will you be my partner?

Stalk and pounce and chase the deer
Stalk and pounce and chase the deer
Stalk and pounce and chase the deer
I'm a scary tiger!

In and out the leafy jungle
In and out the leafy jungle
In and out the leafy jungle
Will you be my partner?

Swinging through the mossy branches
Swinging through the mossy branches
Swinging through the mossy branches
I'm a hairy gibbon!

In and out the leafy jungle
In and out the leafy jungle
In and out the leafy jungle
Will you be my partner?

Slide and wiggle through the bushes
Slide and wiggle through the bushes
Slide and wiggle through the bushes
I'm a slithery python!
