

# FASHION: Cool or uncool?

BY JUSTIN SUAREZ

▲ DANIEL MEADE, editor of *Mode*. This look says: 'I buy very expensive clothes, but I think about more important things than fashion.'

▼ BETTY SUAREZ, assistant to the editor. This is not a good look. Do not copy it.

▲ MARC ST JAMES, assistant to the creative director. Brilliant! A cool grey business suit, with a lavender shirt. This really works.

▼ BETTY SUAREZ, again. Oh, Betty! This is not a slimming look! Light blue does not work with red ... or any other colour.

KEY:

Cool

Not cool!

▲ WILHELMINA SLATER, creative director of *Mode*. Clean lines and a beautiful style. You will never see this woman in jeans (except once in Series 1!).

▲ ALEXIS MEADE, editor of *Mode*. Black, expensive, slimming, wonderful.

▲ AMANDA TANEN, receptionist at *Mode*. Cool grey with a line of hot red. Amanda looks beautiful.
