BABY BEAR COMES HOME

POSTER 2

Baby Bear comes home story map

Mummy and Daddy Bear are in Jessica's bed.

The bears sneak past Basher, out through the cat flap, into the street.

They don't know which way to go.
Owl offers to help.

They come to a pond and stop. Owl flies on ahead.

They paddle across the pond on a bottle – but sink.

The frogs take them across the pond.

The bears find the school. They see Baby Bear and climb in through the letterbox.

Baby Bear takes them to meet his new friends.

Back outside, Basher is waiting.

Owl swoops down and flies them home.

The three bears are safe back in Jessica's bed.
