CAN DREAMS COME TRUE?**LEAFLET 1**

Country life

Ben and Lucy have arrived at the cottage in the country. Think about what they see and do when they first arrive. With a partner, begin to improvise, in role, Ben and Lucy in their new home, then write a short script, with stage directions. Include Dad, Aunt Carol and Uncle Roger and introduce one **new** character. Plan your setting and plot here before you begin to write the script:

**Setting**

In the cottage? In a lane or wood nearby? In the cottage garden? Other?
