

# I'm a grey squirrel

Sing this song to the tune of 'Baa Baa Black Sheep'

## Chorus

I'm a grey squirrel with a bushy tail  
I've got two eyes and I've got two ears  
I've got one nose and I've got one mouth  
I look for things to nibble on  
When I'm in the woods.

I'm a grey squirrel with a bushy tail  
I eat little acorns from the big oak tree  
I like to climb to the highest branch  
And then I run down again as fast as can be.
