

Keep out of my way!

Keep out of my way!
Keep out of my way!

I'm jealous of EVERYONE today.

If I were a dog
I'd be jealous of a cat.

If I were a mouse
I'd be jealous of a rat.

If I were a circle
I'd be jealous of a square.

If I were an apple
I'd be jealous of a pear.

I know I'm silly
To feel this way

But I'm jealous of EVERYONE today!
